Discover Yourself

PERSONALITY PROFILING

Rewarding Results

I specialize in coaching individuals to discover their true nature using the Ident13 profiling tool. I will coach you based on your traits and the type of person you are innately so that you are able to discover your thoughts and actions. Through this discovery you will learn how to move forward in your life to achieve happiness and success.

CAREER DEVELOPMENT

Guaranteed Success

I know how difficult it can be to find a reliable coach that focuses on what you need. Career coaches need to be able to motivate and guide students towards success. As an experienced and passionate individual, I believe in an approach that gives individuals positive, constructive ways to approach their careers. Using the profiling tool I will identify your strength and the industry you are suitable for to help you achieve greater career success.

RELATIONSHIP COACHING

Exceptional Progress

I specialize in helping couples understand and get to know each other better using the Ident13 profiling tool. By understanding each others traits and behaviours couples get to know their other half in a simple yet effective way. This allows for greater understanding and love between each other.
